

## Photography Print Release

I, Dusty Anderson, copyright holder of all Skylight Photography photographs, hereby grant permission for the bearers of this release to make prints or enlargements of our photography for personal use from their own CD/DVD, flash drive, or digital device.

Posting pictures online is allowed, but must include the company name logo if visible on images.

It is recommended that you get your enlargements printed through a lab for highest quality. Remember to crop the pictures to the specified size before printing through any other printer.

All pictures remain the property of Skylight Photography for use of advertising and other purposes.

Sincerely,

A handwritten signature in red ink, appearing to read "Dusty Anderson", with a long horizontal flourish extending to the right.
